

# PRECISION MACHINED PRODUCTS

RB Royal is uniquely qualified to provide you with custom precision machining solutions.

## RB Royal specializes in:

- Multi- and Single-Spindle CAM Lathes
- CNC Machining Centers
- CNC Single Spindle Lathes
- Secondary Machining

## We also offer a wide range of value-added operations to better meet your needs including:

- Vibra-Seal
- End Caps
- O-Rings
- Plating
- Custom Brazing

We provide custom precision machined products for your applications to reduce the number of leak paths and increase the reliability of your product.

*At RB Royal, we design and manufacture custom hose and tube assemblies as well as precision machined products for applications involving fluid power, fluid transfer and systems integration. Call our experts or log onto [www.rbroyal.com](http://www.rbroyal.com) to find out how we can help you today.*
